

MD. TASIN ISLAM

FRONTEND DEVELOPER

Chittagong, Bangladesh | <https://github.com/Tasin37> | <https://www.linkedin.com/in/md-tasin-islam>

SUMMARY

I am a Frontend Developer with hands-on experience building responsive web applications using React.js, JavaScript, Tailwind CSS, and modern web technologies. Skilled in developing user-friendly interfaces, state management, API integration, and version control using Git and GitHub. Currently expanding expertise in Next.js and modern frontend development practices. Published researcher with multiple papers indexed in IEEE Xplore.

TECHNICAL SKILLS

HTML5	Node.js	React.js
CSS3, Tailwind CSS	MongoDB	Responsive Design
JavaScript (ES6+)	Git and GitHub	Next.js

PROJECTS

Travel Booking System

Technologies: HTML, CSS, JavaScript

- Developed a responsive travel booking platform.
- Implemented destination browsing and booking functionality.
- Designed intuitive user interfaces with mobile responsiveness.

Employee Management System

Technologies: React.js

- Built a React-based employee management application.
- Implemented CRUD operations with Admin Dashboard and Employee Dashboard. Admin can assign a task to an employee, and the respective employee will get the task in the dashboard and further update the status.
- Created reusable components and efficient state management.

Online Academic Assistance Platform

Technologies: React.js

- Developed a web platform connecting students with professional writers and subject experts.
- Built responsive user interfaces and service management features.
- Focused on user experience and scalable frontend architecture.

RESEARCH PUBLICATIONS

- Published 2 research papers indexed in IEEE Xplore.
 - Behavioral Generative Augmentation for Network Intrusion Detection under Extreme Data Scarcity
 - A Comparative Study of Lightweight Neural Network Architectures for Real-Time In-Browser Music Suppression
- Published 1 preprint review paper on Preprints.org.
 - AI Code Assistants in Secure Software Development: Opportunities, Risks, and Best Practices
- Participated in academic research and conference presentations.

EDUCATION

Bachelor of Science (B.Sc.)

Expected Graduation: August 2026

International Islamic University Chittagong (IIUC)

- Computer Science and Engineering

ADDITIONAL INFORMATION

- **Languages:** English (Fluent), Hindi (Fluent), Bengali (Native).
- **Certifications:** Certificate of Participation – From Idea to Publication, 2 IEEE Conference Paper Publication Certificates.
- **Awards/Activities:** Participated in programming contests (Codeforces rating 1000+), Member of university computer club, Completed notable online courses or bootcamps.
